101 Fawcett Road, EagleVail, CO

castlepeakgrille.com 970-748-4848

Castle Peak Grille is a laid-back neighborhood restaurant and bar dishing up a creative spin on classic comfort food at a fair price in a fun atmosphere. Service is unpretentious, informal and a little bit irreverent. We are supporters of Colorado breweries and distilleries and offer over 25 Colorado beers and spirits. CPG's sun-drenched patio is inviting in the summer and our outside firepit the place to be for apres cocktails in the winter. Our number one rule is "be nice!"
